# Cochise Harm Reduction Hosts Community Showcase in New Bisbee Headquarters

**Bisbee, AZ** — Cochise Harm Reduction (CHR) will host its annual Community Showcase and Fundraiser on Saturday, December 12, from 5 to 9 p.m., this year in the organization's new headquarters at 203A Bisbee Road. The evening brings neighbors, artists, participants and supporters together for local art, live music and a shared meal. A suggested donation of $10–$20 supports CHR's work, and no one will be turned away for lack of funds.

"*I think that at its core, CHR is fundamentally about community, it's about relationship, and it's about reducing stigma so that someone can have relationship and community*," Lu Funk, CHR's founder and Executive Director, said in an interview with KBRP.

At the heart of the evening is a silent art auction featuring work by local artists and participants from across Cochise County. Alex Wilkerson and Astra Kelly will perform live along with BOONSHINE as the headliner featuring Timothy Dick, Philip Bynoe, and Astra Kelly. Dinner is free, made by Kitchen Coordinator Dan Maldonado to mirror the meals CHR brings on outreach: roasted vegetables, enchilada casserole, and stir-fry chicken + vegetables over white rice. A bar and CHR merchandise will be available for purchase.
